

ENVIRONMENT PROTECTION POLICY

Remontowa Electrical Solutions Sp. z o.o. is committed to leading the industry in minimizing the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- minimize waste by evaluating operations and ensuring they are as efficient as possible;
- minimize toxic emissions through the selection and use of its fleet and the source of its power requirement;
- actively promote recycling both internally and amongst its customers and suppliers;
- source and promote a product range to minimize the environmental impact of both production and distribution;
- meet or exceed all the environmental legislation that relates to the Company;
- use an accredited program to offset the greenhouse gas emissions generated by our activities.
